

**Licensed Environmental Health
Practitioner and Emergency
Preparedness Coordinator**

Crawford County Health Department is seeking a full-time (36 hrs/wk) LEHP and Emergency Preparedness Coordinator. If not currently certified as LEHP must pass the Illinois Licensed Environmental Health Practitioner's exam within required time frame. Candidate must have minimum of Bachelor's Degree with 30 semester hours of college level science. Supervisory and Emergency Preparedness experience preferred. Will be responsible enforcing regulations concerned with food sanitation, sewage disposal, private wells, non-community public water supplies, tanning, nuisance, body art, and other programs. Must be able to work independently, possess excellent communication skills, and be proficient in Word and Excel.

Offering competitive salary. EOE.
