

City of East Moline

Position: Environmental Health Specialist
Starting salary Range: \$56,000 - \$60,000 DOE, Annually
Hours: Monday - Friday, 8-4:30, some nights and weekend hours as well.

The City of East Moline is seeking an Environmental Specialist. We are seeking someone with an eye for detail, food safety knowledge, the ability to interact well with people and work independently. Working in this role, you'll be a part of the Inspections Department team and serve our community by ensuring compliance with local and state health and safety codes. Excellent benefit package, healthy departmental budget for program growth and training. Click on the link below to see the full job description.

Send Resume and cover letter to our Human Resource Officer, John Showalter, at JS3068@eastmoline.com. Any questions please call: 309-752-1599
