

The Knox County Health Department is
NOW HIRING!
Environmental Health Practitioner (LEHP)
or LEHP-In-Training

The Knox County Health Department is seeking a full-time Licensed Environmental Health Practitioner (LEHP) or an Environmental Health Specialist who qualifies for LEHP licensure who can be licensed through the State of Illinois Department of Professional Regulation, who by virtue of education and experience will work in the field of food sanitation, protection and regulation of private water supplies; private waste water management; and consultation, education, investigation and enforcement in these fields.

This position requires a Bachelor's Degree in Environmental Health Science or its equivalent as approved by the State of Illinois Department of Professional Regulation.

The Knox County Health Department is excited to offer a competitive salary with an excellent benefit package which includes vacation, personal time, sick time, paid holidays, health/vision/dental/life insurance, a Monday through Friday, 35-hour work week as well as a retirement plan with a generous match.

So...if you are looking for an exciting **ENVIRONMENTAL** Health Career path in an Environment that values you,

please send a letter of interest and a resume to
